

# BUGGY BANDS

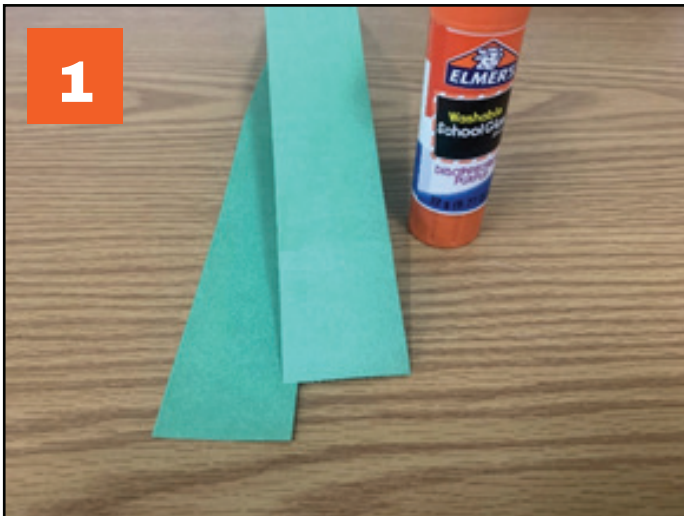

## Each Kit Includes

- 1 green paper strip
- 2 white paper ovals
- 2 pipe cleaners
- 2 puff balls

## Additional Materials

- Glue
- Black marker
- Masking tape

1. Fit the headband to your head. Use a small amount of glue to secure the strip.  
*(If needed, a piece of masking tape can be used to hold closed.)*

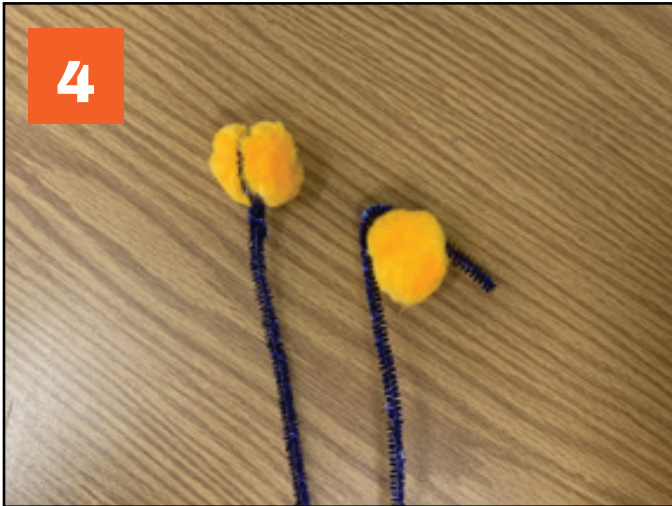

2. Draw a circle on each of the white ovals to create "eyes."

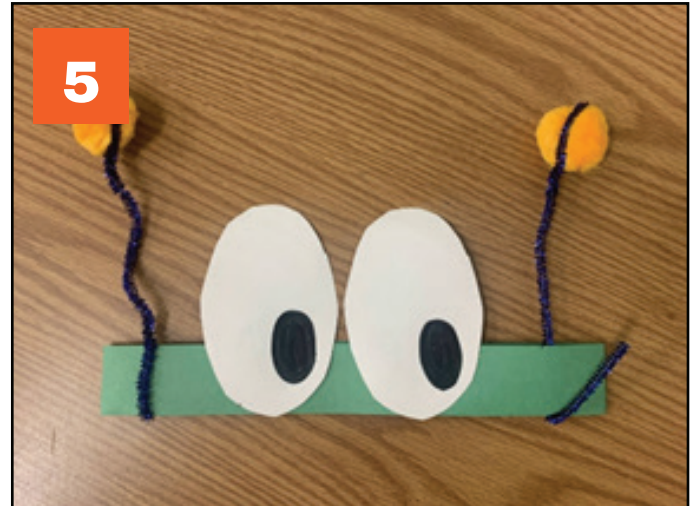

3. Using a small amount of glue, secure the two white oval eyes onto the headband.

4. While the glue is drying, tightly wrap 1 pipe cleaner around 1 puff ball and twist to secure. Repeat with second pipe cleaner and puff ball. These are your antennae.

5. To secure antennae to headband, take the end of the pipe cleaner without a puff ball and wrap it once around the headband and twist to secure. Repeat with second antenna.

6. Adjust antenna shape for unique flair.

7. Enjoy your Buggy Band!
